ABOUT US

Our firm is based in Mumbai, India, and was founded by Mr. Vishal Gandhi in 2003.

PRACTICE AREAS

Corporate and Foreign Exchange Management Laws

We help our clients formulate a tax-efficient India entry strategy, assisting in the setting up of wholly owned subsidiaries, joint ventures, acquisitions, strategic alliances, and technology collaborations.

We also help angel investors, venture capital, and private equity funds invest in India and set up India-focused funds. We hand-hold our clients right from structuring, due-diligence, and drafting term sheets, to closing.

This practice also entails advising on exchange management laws and seeking approvals from the Reserve Bank of India or the government, where required.

Securities Laws

We help our clients on the legal aspects of raising capital in the form of private placements or public issues. Advice is provided on compliance with securities laws and the rules and regulations notified by the Securities and Exchange Board of India.

Tax Laws

We assist in formulating tax-efficient structures for various transactions, whether it be setting up operations in India, or a joint venture, acquisition, fund formation, etc.

We advise on Indian tax laws and the various double taxation avoidance agreements that India is a signatory to. Advice is provided on aspects such as income tax, capital gains tax, permanent establishment issues, transfer pricing, etc.

We also assist in procuring rulings from the Board of Advance Ruling.

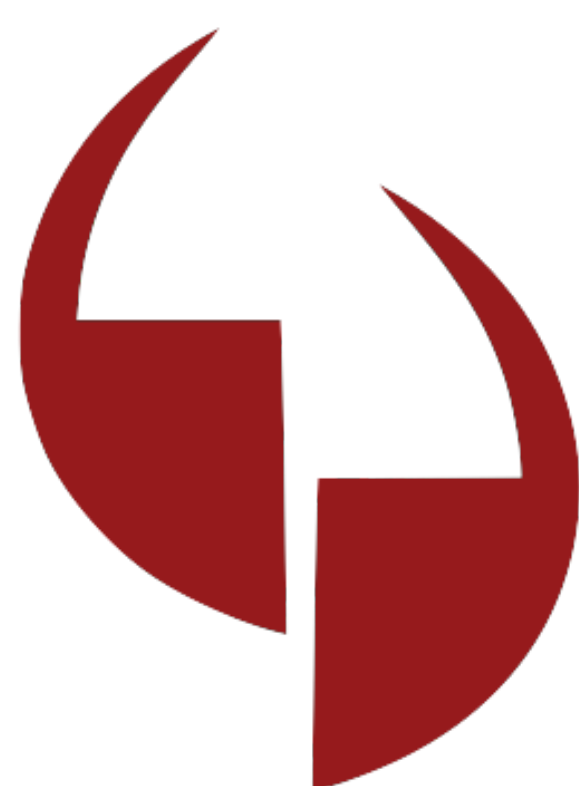

Intellectual Property Laws

We assist with protection, enforcement, and licensing of various types of intellectual property rights, such as copyrights, patents, trademarks, trade secrets, and designs.

Arbitration and Litigation

We assist with international commercial arbitration and litigation. We have been involved in various corporate/commercial and intellectual property disputes.

We have an in-house litigation team that reduces dependency on outside litigators.
